The tour starts and ends in Bucharest, the capital of Romania. Here are two big international airports: Otopeni and Baneasa and here is also the biggest railway station in the country: "Gara de Nord". After meeting the guide you begin the visit of the city: you will see the Palace of Parliament (the Ceausescu Palace)- the second largest building in the world.

Next we drive to Transylvania. The first city to visit is Brasov - a very beautiful medieval citadel in the Carpathians. After visiting the Black Church, the largest Gothic construction between Istanbul and Vienna, we drive to DRACULA'S CASTLE in Bran.

Having as start point Brasov, we will visit the most important church-castles in Transylvania, which are UNESCO Heritage. We will be in the pearl of Transylvania, Sighisoara, on the 4th day. Here we have dinner in Dracula's Birth House.

Next we visit Sibiu - the European Capital of Culture 2007 and the simple villages around this city. Then we cross again the Carpathians in order to visit the Monastery in Curtea de Arges (an unique monument showing influences of Christian and Islamic architecture).
