Note: For Arrival, Departure and Transfer details, please visit Uniworld.com/transfers. For Port Location details, please visit Uniworld.com/ports.

DAY 2

ARLES

Explore a sun-drenched Provençal town today with an allure all its own. Known for its remarkable Roman ruins, Arles so inspired Van Gogh that he painted some 200 paintings there. Arles has existed since the sixth century BC, when the ancient Greeks founded it and named it Theline. It was here that the Romans built their first bridge across the Rhône River, creating a vital overland route between Italy and Spain.

Featured Excursion

Arles Walking Tour

Van Gogh paid tribute to Arles' atmospheric beauty in some 200 paintings, including *Starry Night Over the Rhône*. It's an ancient city boasting a remarkable collection of Roman ruins; among them are a theater where the famous Venus of Arles—on display in the...

DAY 3

AVIGNON

The walled city of Avignon is one of the most fascinating towns in southern France, with a host of historic gems to explore—including the fortress residence of rebellious popes who broke from Rome and once lived and ruled here. You'll see the Palace of the Popes and much more today, or have the chance to visit a 2,000-year-old Roman aqueduct.

A special Captain's Welcome Reception and Dinner will be prepared for you this evening.

Avignon Walking Tour with Palace of the Popes

It's hard to believe, looking at the charming cafés and entertaining street performers in the Clock Tower Square, that this lively scene owes its existence to a 15th-century siege. This area was the heart of medieval Avignon (and the site of the original Roman town), crowded with...

Pont du Gard Roman Aqueduct Visit

In the middle of the first century, Roman engineers responded to Nîmes's need for water to fill its baths, fountains, and pools by building a 30-mile-long aqueduct from Uzès to Nîmes—which required transporting Uzès springwater over the River Gardon. A thousand ...

DAY 4

VIVIERS

An enchanting village where time seems to have stopped centuries ago, Viviers has a long and storied past that goes back more than 1,600 years—and a splendid architectural heritage to match. At one time, Viviers was divided along religious lines—the clergy lived in the upper part of the town, the laity in the lower part. Your exploration of the town will take you through both parts, as you begin at the crest and make your way to the riverbank.

Featured Excursion

Village Day: Ardèche

Sycamores line some of Viviers' stone-paved streets (planted, so they say, to provide shade for Napoleon's soldiers), and houses here bear the watermarks of floods over the years. A local expert will show you the fountain squares in the Old Town, which combines Roman and medieval...

DAY 5

TAIN-L'HERMITAGE (TOURNON)

If you love fine wine, you'll love the twin villages of Tournon and Tain-l'Hermitage. Tournon may be a small town, but stirring events took place here: A castle was raised on the hilltop in the 10th century to protect the region, and new fortifications were added over the centuries, including two "new" towers built to defend against Protestant attacks in the 16th century. You'll see the handsome houses constructed by wealthy merchants and garrison officers when you walk through the Rue de Doux area, and you'll pass the 14th-century church and the oldest secondary school in France.

Choose between...

Tournon and Tain-l'Hermitage Twin Villages Stroll with Wine Tasting

Nestled on opposite sides of the river in the heart of the Côtes du Rhône, the twin cities of Tournon and Tain-l'Hermitage are an ideal destination for connoisseurs of fine wine.

Cross the pretty flower-decked Marc Seguin suspension bridge to Tain-l'Hermitage to visit local...

Let's Go: Hermitage Terrace Vineyards Hike with Wine Tasting

Are you ready to explore the steepest vineyards on the Rhône? The vines producing the world-famous Hermitage wines grow on precipitous slopes above the river, so steep that terracing is essential. Hike along the paths that parallel the rough courses of stone through the vineyards, each one...

DAY 6

LYON

Ancient Lyon is a city of tantalizing contrasts, from Roman roots to stunning modern architecture and plenty of Renaissance flair in between. There's much to explore here, from the city's bike paths to the silk weavers' secret passageways. While you're in town, you might like to have lunch on your own at one of the many traditional bouchons that proliferate in the epicenter of French gastronomy.

A special Captain's Farewell Reception and Dinner will be prepared for you this evening.

Lyon Panoramic Tour with Traboules Visit

You'll fall in love with Lyon today as you take in the view from the top of Fourvière Hill, where a magnificent cathedral rises above the city. Take in the view below, noting the splendid façades of Renaissance houses. You'll get a sense of how the city developed, growing from Roman...

MÂCON (BEAUNE)

The pace of life is decidedly more relaxed in Burgundy, where endless rows of grapes hang heavy on the vine. The capital of the region's wine trade, Beaune is renowned for its history, beauty, and highly prized wine, as well as its medieval-era hospital—the Hospices de Beaune.

Featured Excursion

Burgundy Landscapes, Beaune, and the Hospices

Beaune may not be a large town, but it brims with history, a wealth of splendid regional architecture and incredible food. Nestled inside medieval ramparts, Beaune was the seat of the warlike dukes of Burgundy until the 16th century. It is best known for two magnificent sights: the Hospices de...

The company's only liability will be to provide Passengers the amount it has received for the Contract in the form of a Future Travel Credit or at Uniworld's discretion a refund of monies paid to Uniworld in connection with such cruise/tour. Uniworld is not responsible for other travel arrangements affected due to our cancellations or changes and is not liable for any cancellation or change costs or penalties incurred on other travel arrangements, including air tickets.

Stateroom Changes: If due to unexpected technical or other unforeseen circumstances, it becomes necessary to change a guest's stateroom onboard, any change to stateroom category will result in eligibility for a refund equal to the fare difference between the category booked and the category of relocation.

Extensions/Land Tours: Uniworld reserves the right to reschedule and/or cancel land extensions or land tours if the minimum number of participants (20 people) is not met or for safety reasons. If you, as the Passenger, choose to cancel your pre- or post-cruise extension one hundred and nineteen (119) days or less before departure, then please refer to the Cancellation Policy section for the applicable cancellation policy and penalties that will be applied.

Security: Security is a major concern to all of us and the situation globally is constantly changing. Events around the world, coupled with the "Travel Advisories" put out by various governments, may at times necessitate changes to the accommodations and itinerary or even trip cancellation. Risks are involved in travel to any country that may experience security difficulties. You must accept these risks and assume responsibility for your own travel decisions.

Health and Mobility: The Company strives to provide a safe, enjoyable, and memorable travel experience for all passengers, and has therefore put the following policies in place:

- All guests must ensure they are medically and physically fit for travel.
- Passengers are required to advise the Company at time of booking of any physical, medical, or other special needs that require accommodation. After the time of booking, should a Passenger develop a physical or medical condition that requires accommodation, the Passenger is required to advise the Company.
 - The Company may impose health and safety requirements necessary for the safe operation of the cruise-tour, and for the wellbeing of our Passengers and crew. The Company may also exclude an individual from participating in a tour or activity if that individual's participation poses a direct threat to health or safety. To stop the spread of contagious illnesses, the Company or local authorities may require the isolation or quarantine of Passengers. These measures will not result in the eligibility for a refund of unused features or services.
 - The Company welcomes Passengers with special needs or disabilities, however please note that the Company does not provide personal medical or mobility devices (such as wheelchairs, hearing aids, or prescription eye glasses) or services of a personal nature (such as pushing a wheelchair or assistance in eating, toileting, or dressing). A companion capable of providing such assistance must accompany any Passenger who requires services of a personal nature.
 - The Company does not employ medical personnel. Any necessary medical attention will be provided by a local facility at the passenger's expense. The Company is not responsible or liable

for any losses or costs incurred as a result of medical services obtained while on tour, or for the quality of the care or services received.

- Passengers should be aware some tours include rough terrain, extensive walking over cobblestone streets, uneven pavement, stairs, and locations which may not be easily accessible or accessible by wheelchair. During the tour, the Company may make arrangements with carriers, hotels, and other independent suppliers to provide travel services. These parties are independent entities over which the Company has no control. Accommodations on international tours may differ from those in your home country. The Company cannot guarantee disability access or accommodations for passengers traveling on international tours.
- The Company may, in its sole discretion, decline the booking of any passenger or remove any passenger who cannot comply or refuses to comply with Company's Terms and Conditions.
